Our legal experience is as deep as it is broad. Though based in Utah, much of our business is national and international. As one of the largest law firms in the Intermountain West, we have amassed a depth of knowledge and skills in areas such as business, real estate, intellectual property and business litigation.

In addition to representing many multinational and foreign companies with their business interests in the United States, we focus on assisting American companies in conducting their business in global markets. We have established a worldwide network of legal and business contacts and know how to get clients up and running in every open market in the world.

Visit our website by scanning the code below or, better yet, give us a call to discuss how we can work with you to help your clients in Utah or around the world.
